The Amildar ordered this petition to be filed with the remark that it was the out-come of ill-will and that Bhanna Bhatta was performing the duties regularly.

Hagiri) On 23rd September 1903 Venkatagiri Gowd complained to the Dy. Commr. that as usual, after Nityakarthe Puje on the 1st day of Navarathri of that year, he had locked the door, that Bhaskaracharya Kesava Swamy, Guru of the Vaishya community who was in the temple asked him to give away the Deity for worship by the Guru along with other Vigrahas in the Navarathri Mandapa in the temple but he did not agree to it as it was against manual, that with the help of Yejaman Subrayappa,

the Temple was broken into and the Vaishya Guru took unlawful possession of the Deity and was worshipping it.

The Amildar was directed to enquire into the matter and after examining a number of witnesses, he has submitted a detailed report dy 3-12-08 which clearly explains the facts of the case.

Sreenivasa Deekshitu, Pujari of Iswara devaru — an old man of 80 — states that the key of the Temple used to be with the Archak, and that during Hatchukatte days, the Vaishya Guru was at times performing the Puje.

Subrahmanya Shastry, Mantra pushpa man of Kannika Parameswari Temple contradicts him by saying that he has seen the Archak performing the Puje on occasions when Vaishya Guru happened to be present in the temple

The Hy. Vaishya Guru and Selly have stated that Kannika Parameswari is their tutelary deity, that the Temple was originally —

constructed by Vaishyas, that the temple key used to be with Vaishya Settaru, that when their Guru is present, he himself performs Puje and that complaints against them are the out-come of ill-will of the Archak for his removal from Purohitya.

The Amildar reports that as the petr failed to allow the Vaishya Guru to do Puje, the Vaishyas have removed him from office, taken possession of the temple and have been getting the Puje performed by some other man, as petr having failed to enter upon his duties even after Navaratri and adds that the petr was not therefore paid the cash grant.

(Reg Sl)

In his Hukum dy 2-2-1904 the then Dy. Commr Mr Ramanujiengar observed that Vaishyas were at fault when they appointed their own Pujari without Govt orders, that it was a mistake on their part to have independantly removed the deity during Navaratri and given it away to their Guru for worship

Remembered

Reference is invited to the copies of the Inam Register from which it will be seen that this Kennilla Paramesvari Temple has annual cash allowance of B. 5-13 or 0-7-9 a week. It is also recited therein that the allowances was sanctioned in Nov 1816 & 1818 - the late Maharaja Krishnaraja Wodayer Bahadur IV.

The Vaniyas have furnished a copy of a Nirup of that year which would show that the Vaniyas built this Temple and asked for an allowance. This is not improbable and we might assume that this Nirup is genuine.

As regards withdrawing this grant it would appear in Serial No. 6 whereon some of the Vaniyas that they would continue to forgo their grant

There may be others that ~~should appreciate~~ Value the Govt grant should brought to it. I have faint recollection that Krishnamoorthy for the Vaniyas said they were all advised in saying that the grant might even be withdrawn.

However that may be, the withdrawal of the grant does not, in my humble opinion, vindicate the powers of Govt and may serve a bad precedent. Others may come forward they that Govt they will do as they like and Govt may withdraw the grant.

No doubt this is a peculiar case; but I think the powers of the Govt cannot ~~grant~~ but be enforced when the devotees are so obstinate

His Highness the Maharaja of Mysore,
Muzrai Department,
Bangalore.

Sir,

With reference to your official memorandum No 2188/Muz. F. 672-08-2 dated 5th June 1909, forwarding for report petition from Narasa Jois and Cheennabhatta praying for the restoration to them of the Archakship of Sri Kannika Parameswari temple at Chitaldroog, I have the honor to submit herewith, the entire Vernacular records connected with the case and to state as follows. —

2 The temple in question has 3 presiding deities viz Kannikaparameswari, Iswara and Janardana, enjoying a cash grant of 7 annas 9 pies each per month,

of which the petition relates to the archakship of only one Ky Kannika Parameswari, while the records enclosed relate to all the three deities.

3. The appellant Narasa Jois is the Barawardar archak of Kannika Parameswari. In 1883, baraward was made in his name and as he was a minor his undivided uncle Ebennabhatta was appointed officiator Pujari. His brother Venkatagiri Jois seems to have been also doing pujari's duties.

4. On 29th September 1899, Papiah Chetty and others complained to the Amildar officiating Taluk that the Pujari Venkata-giri Jois was not conducting the puja of the goddess Kannikaparameswari and that there was misunderstanding between them and the pujari. The Amildar opined that the petition was the outcome of ill-will between the parties and as Ebennabhatta was performing the duties properly, ordered the petition to be fi...

5. On (5th October 1903) Venkatāgiri jeer complained to the Deputy Commissioner that (Flag W
the Vaisya guru Bhaskarapanthi broke into the Kamukaparameswari Temple and took Charge of the deity. The Deputy Commissioner directed the Amildar to make enquiries regarding the truth of the Complaint and on his report, directed in his order No. 615 dated 2nd February 1904, (Flag S
that, as agreed to by the Vaisyas, Venkatagiri jeer should be restored to the pujāriship.

6 Again, on 8th February 1904 the Vaisyas complained to the Deputy Commissioner that Venkatāgiri jeer was not performing the pujas properly; that he was acting contrary to the Mamool; that there was ill-will between them and the pujari who was their Purohit, and requested that he should be removed from office and their nominee appointed in his stead

7. This petition was referred to the Amildar for report and after prolonged enquiry, the Deputy Commissioner in his No. 1045 dated 22nd February 1909, ordered that

Narasajois, the Respondent, although he had attained majority several years ago, had not taken charge of his duties and that his Claim to the pujari office having become time-barred, he should be dismissed; Chenna-bhatta's Gumastaship having terminated, he should not be allowed to interfere and the Vaidyas' nominee Venkatanarasappa should be appointed pujari.

8. It is against this order that the appeal is preferred.

Sir,

Dated 19th November 1910.

Sir,

Adverting to your letter no: 2416/Munz. f. 672-08-7 dated the 28th March 1910 and in continuation of my letter no 468 dated the 8th June last, I have the honor to bring to the notice of Government that the devotees of the Sri Kannika Parameswari temple at Cuddalore first applied to the

Amildar

Amildar of Chitaldroog on the 5th October 1903 (vide Serial no: 16 of the enclosed records) for the appointment of a competent Pujari agreeable to them as the then acting incumbent was found to be inattentive to his duties. Thereupon, a regular inquiry was instituted which continued up to the 30th May 1908, when a formal order was passed by the Deputy Commissioner confirming the appointment of one Venkatnarayanappa as Pujari (vide Para 3 of the Deputy Commissioner's order no 1426 dated the 30th May 1908. Serial nos 126 to 130 of the Charist) This procedure is in conformity with the standing orders of Government (no 3899-906 dated the 16th June 1904)

2 With reference to the concluding portion of your letter suggesting (

bring

bringing about an amicable settlement between the contending parties, I beg to invite reference to the Chitaldroog Amildar's Report No: 90 dated the 25th July 1910 (vide Serial No. 150 of the Phaniti) stating that they do not come to a compromise.

2. When the Amildar was again asked to send for Narasajois who is alleged to be the proper claimant as stated in the appeal petition, and have him examined, he states that as the individual resides at the Shalya village in the Molakalmuru Taluk, no Brahman at Chitaldroog can certify to his fitness for a Pujarieship and that he has never even once officiated as Pujari in any temple. He is under the impression that the (petitioner) is not desirous of taking up this profession probably at this advanced

stage of his life, having already attained the age of nearly 40 years and accustomed himself to a village life

4. The other petitioner — viz Chenna-bhatta has no locus standi to dispute for the office as he held the Pujarishiip before for sometime during the minority of the 1st petitioner (Narasajois) as an acting incumbent.

5. There is also a third person viz Venkatagirijois, whose situation is similar to that of the 2nd petitioner and who is also contesting for the Pujari-ship. He has failed to establish his own right to the office and further proved himself obstructive to the satisfactory working of the institution during his acting period on previous occasions

6. The deity in question is the family Goddess of the Vaisya Community and no person of any other caste attends this temple to offer his prayers.

The Vaisyas in a body protest to the appointment of any one of the petitioners for the Pujari office. They only desire that the man nominated by them and formally approved by the deputy Commissioner may be allowed to continue to do service in the temple and they vouchsafe to the satisfactory working of the Institution during his term of office as he has been devoting his whole time in the worship of the deity and has no other private concerns. By such a scrupulous attachment to his duties, he has won their goodwill and confidence. The devotees in return see that his nominal monthly grant allowed by Government (R 0-A 7-P 9) is supplemented largely by their private contributions amounting to 10/ to 15 Rs a month, so as to meet the requirements of the man to support his family.

The devotees of the temple are Vysyas who are reputed to be of a very retiring disposition & do not generally complain against ~ others unless they are driven to the absolute necessity of doing so. From the records it will be seen that since 1903 they have been constantly ~ petitioning the higher authorities & reporting their grievances against Venkata -giri Jois and Chennabhatla who were acting as Priests.

8. Under the foregoing circum -stances, I am of opinion that it is not advisable to interfere with the arrangement at this stage as it is learnt that the institution is being managed efficiently for the past three years after the advent of the present Pujari. It is also gratifying to note that Special Services (Worships &c.) are being attended to during Sravana, Adhika Kartheeka and Dhanurmasa months

on a grand scale at the cost of the devotees.

9. The vernacular records received with the letter under reply, are herewith retransmitted.

I have the honor to be,
Sir,

Sir,

With reference to your letter No. 404/Muz D. 672-07-14 dated the 11th August 1911 about the Archakship of the Sri Ramiha-rajaru swami temple at Chitaldrug, I have the honor to state that the devotees of the temple have executed a muchalka to the effect that they wish to have a pujari who would always reside at Chitaldrug and who would attend to the special prayers which the devotees are accustomed to offer at the time of marriage, Upanayanam and such other religious functions in their families. If the hakdar viz Narasajois is prepared to reside at Chitaldrug and worship the diety himself and to delegate the work to his relations Chennabhatta, Venkatagiri Jois and others who are always inimical to the religious feelings of the devotees, they have the least objection to his having being nominated as the pujaryship. Otherwise, they desire to make their own selection and submit for the orders of Government.

2 Narasajois has since appeared on 21st February 1912 before the Amildar and executed a muchalka to the effect that he would work as proposed by the devotees and that he might be removed from the office if he were to fail to give satisfaction in his work, the charge of the institution has been entrusted to him agreeably to the wishes of the devotees headed by Mr. Ananthe Chetty, Advocate.
